The Ongoing Revolution in Software Testing Cem Kaner, J.D ...

Twenty-one years ago, I started writing Testing Computer Software (Kaner, 1988), a book whose second edition (Kaner, Falk, & Nguyen, 1993, 1999) outsold every other book in the field It didn't seem destined for the mainstream back then I opened with these words: Some books say that if our projects are not “properly” controlled, if our
